C3 - Panel discussion

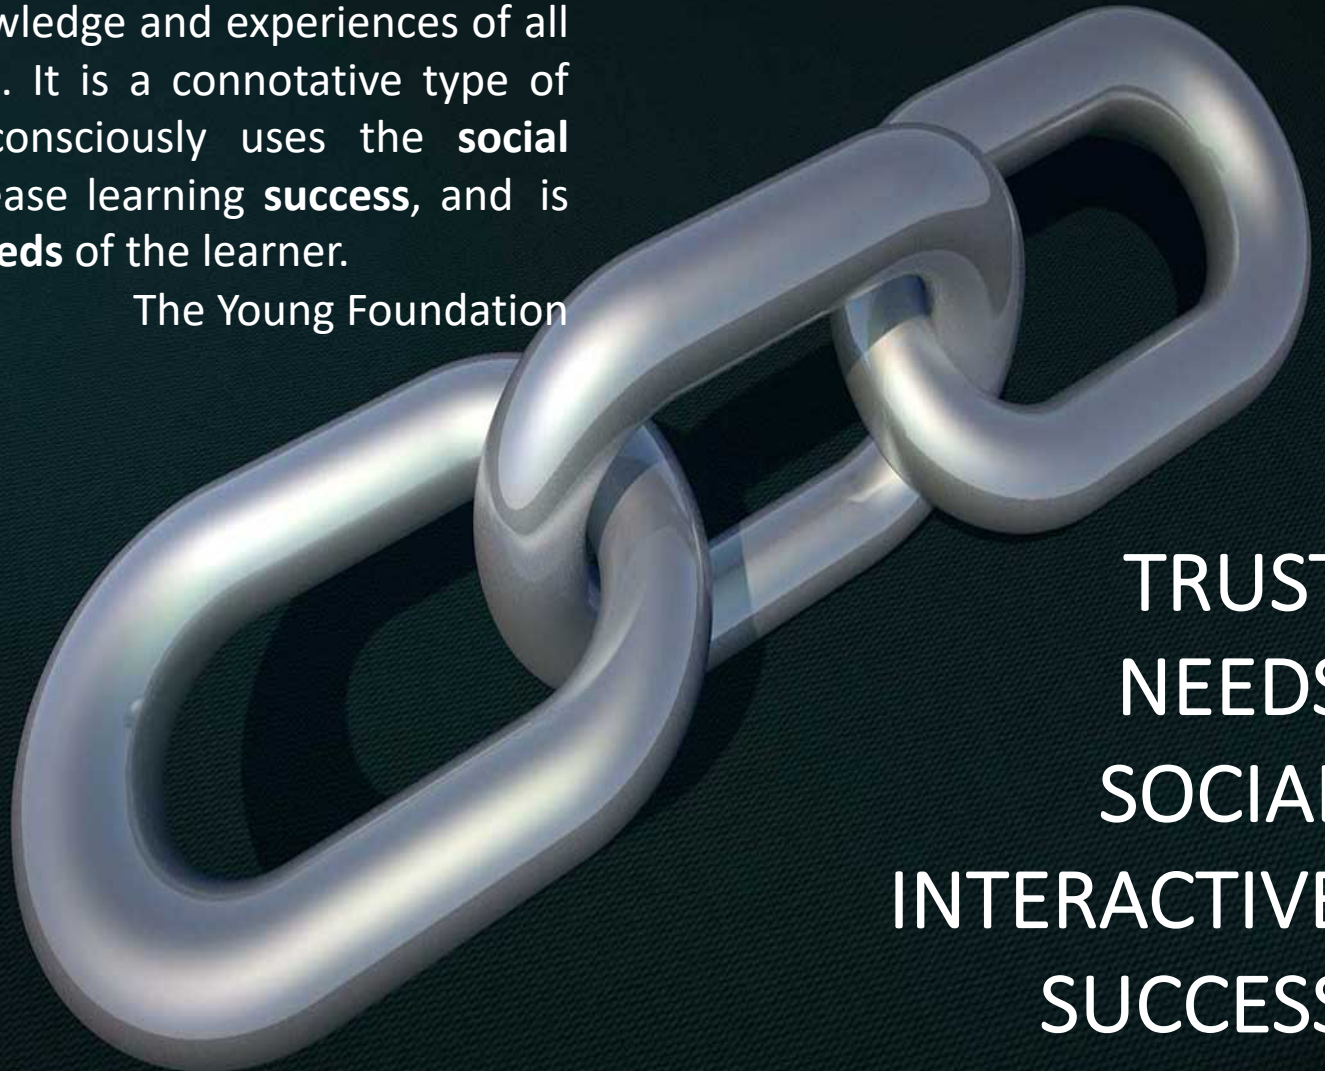

Peer-to-peer approaches towards an Effective and Sustainable Change in Internationalization

José María Marbán
University of Valladolid
josemaria.marban@uva.es

What do we mean by “peer-to-peer”

An **interactive exchange** that takes place at ‘eye level’ (or ‘eye-to-eye’), which is based on **trust** in the knowledge and experiences of all involved **parties**. It is a connotative type of learning that consciously uses the **social process** to increase learning **success**, and is based on the **needs** of the learner.
