

Have you heard of PIM?

Menti poll

PIM - Platform for Inter*national Student Mobility

- From Project to Product -

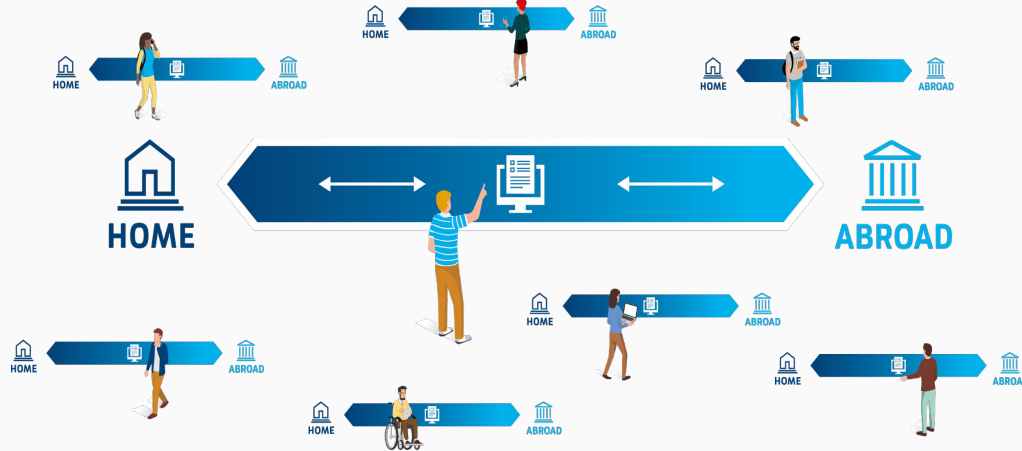

wolfgang.radenbach@uni-goettingen.de
lach@math.tu-berlin.de
j.hantke@tu-berlin.de
nina.wagenknecht@uni-goettingen.de

25.11.2021

Agenda

1. Introduction to PIM
2. Live Demo
3. From Project to Product

Our goal: Digital exchange of student credits across higher education institutions

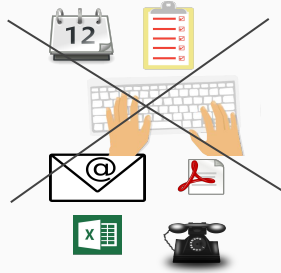

Connect to existing European Standards (EWP, Emrex, EDCI)

Support the Implementation of Online Access Act + Single Digital Gateway

What does this mean for the users?

- ☺ Transparency
- ☺ Efficient administrative processes
- ☺ Sovereignty in decision process

Students

HEIs: Staff

Why use PIM?

The German Online Access Act (“OZG”)

The federal government and the federal states are obliged to offer their administrative services electronically via administrative portals by ... [end of 2022] ... at the latest.

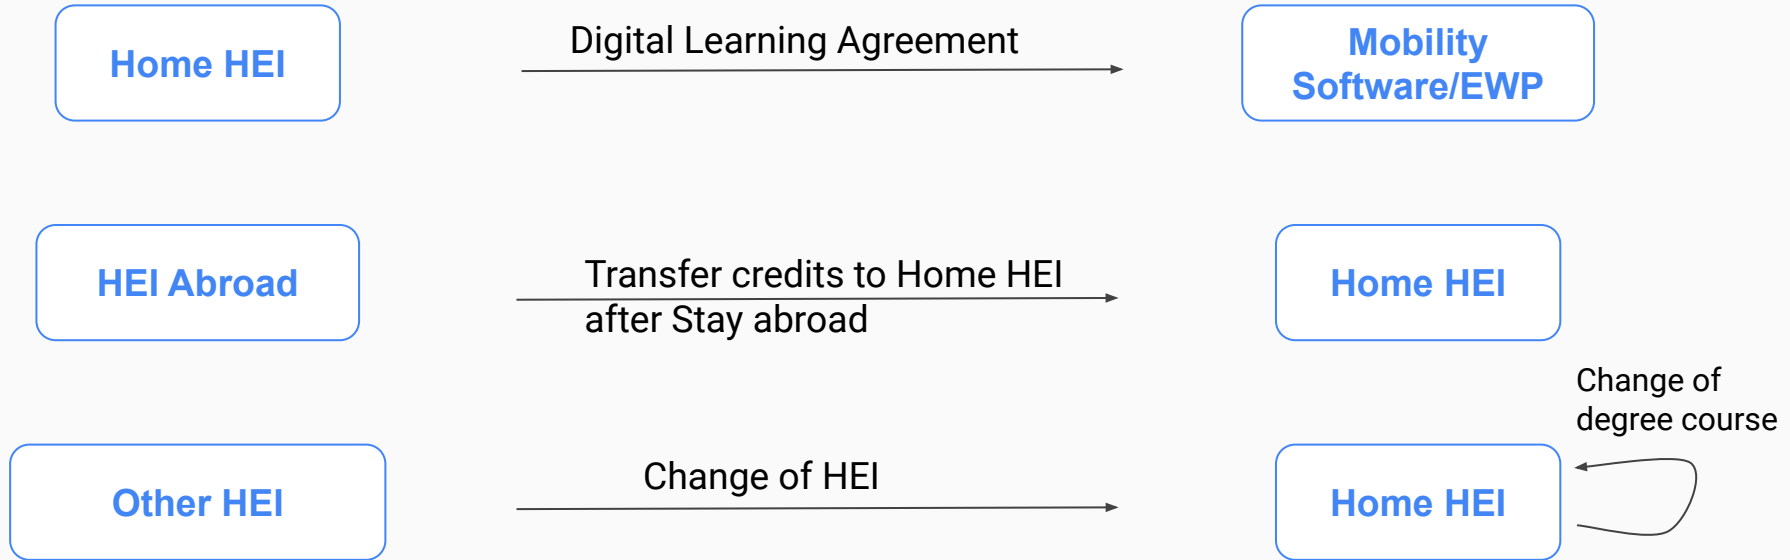

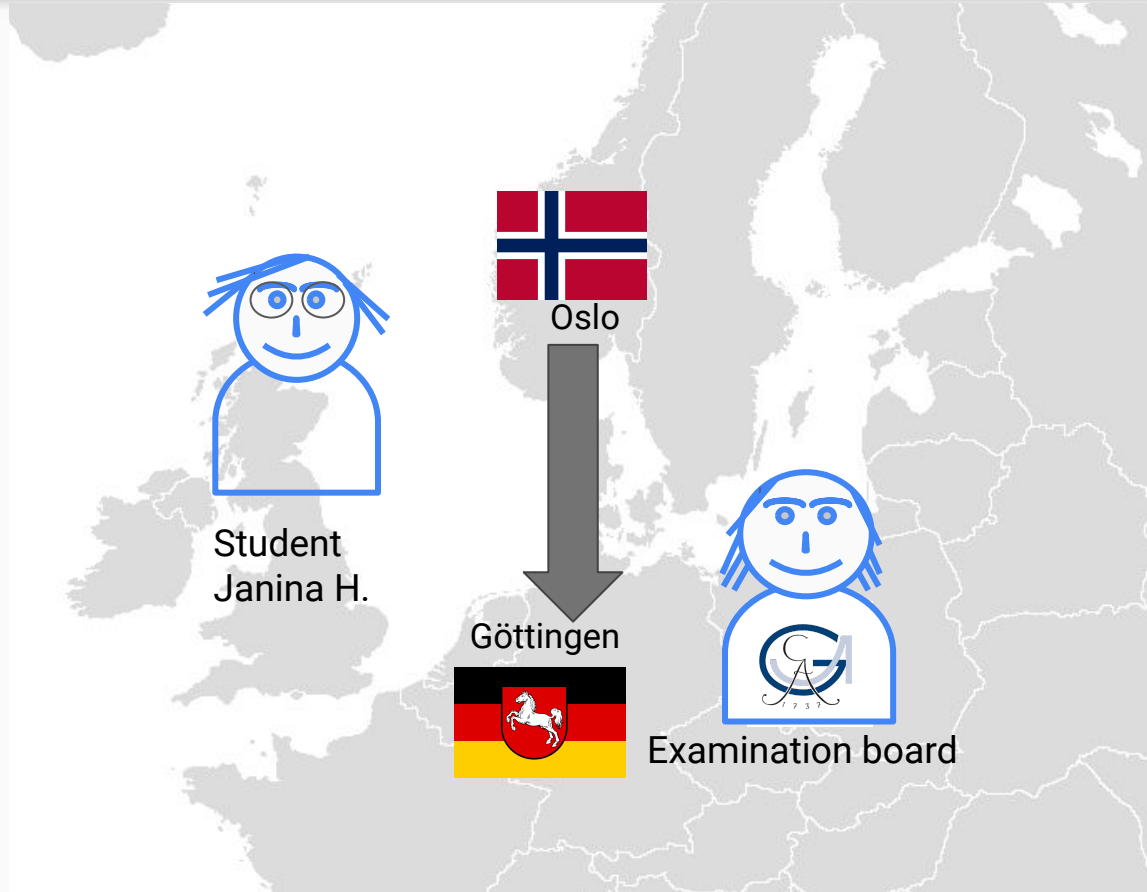

Deadline 2022

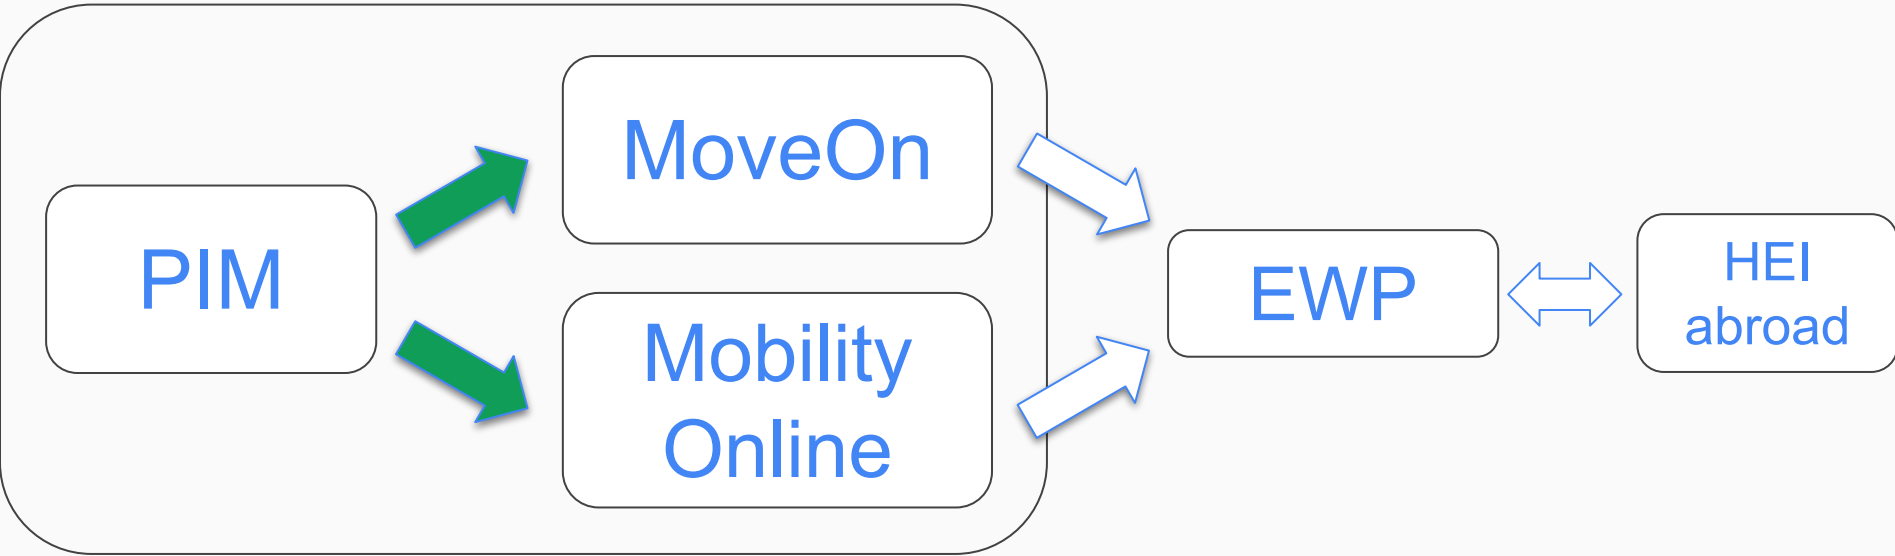

... establishing a single digital gateway to provide access to information, to procedures and to assistance and problem-solving services and amending Regulation (EU) No 1024/2012

Uses of the PIM recognition workflow

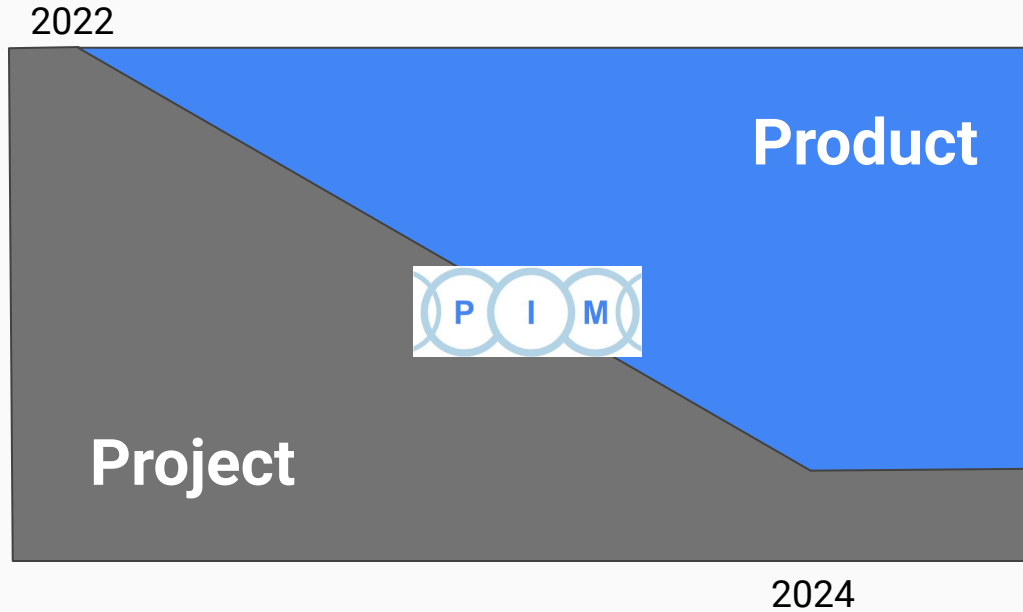

PIM and Mobility Software

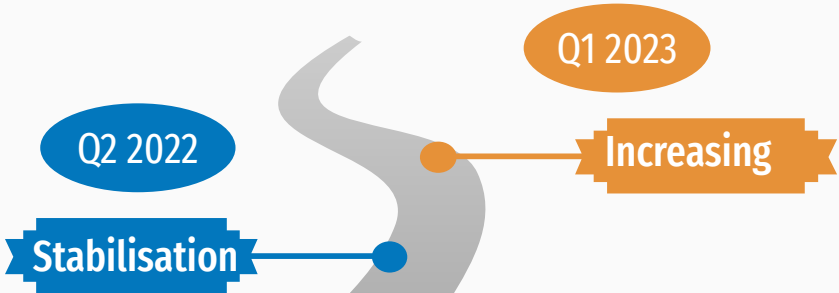

1st step: Recognition data -> Learning agreement

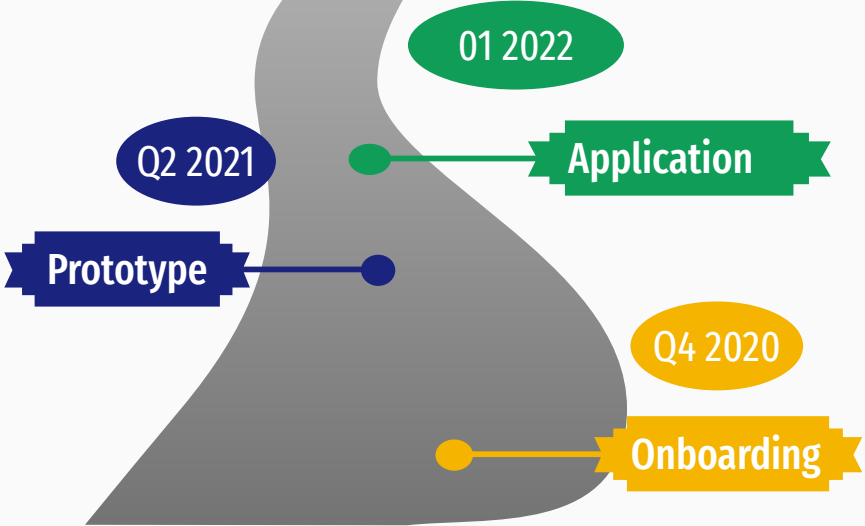

PIM: From Project to Product

Product

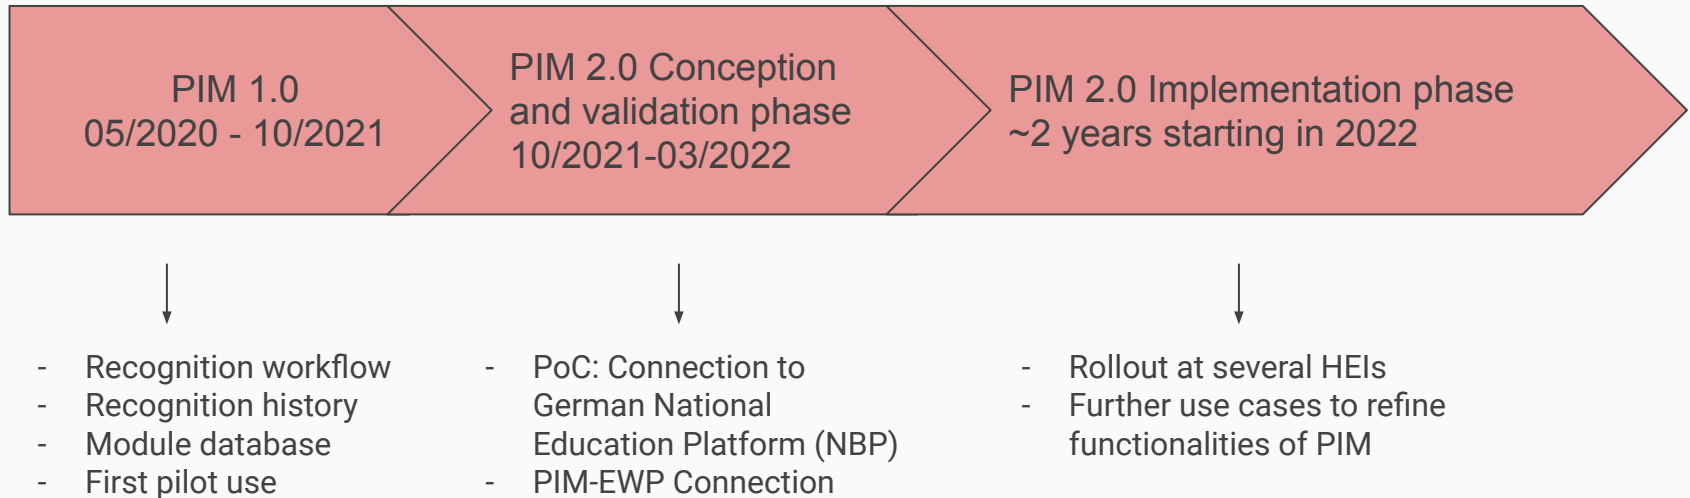

Project

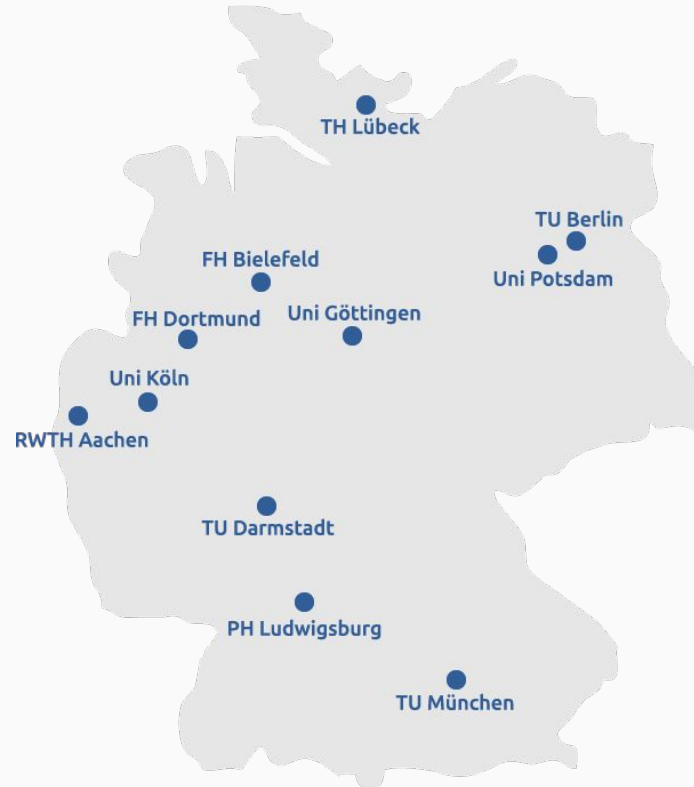

a) Project phases
